Mora Quilt

The Mora Quilt is one in a collection of patchwork pieces that concentrates on repetitive composition. A central break in the horizontal stripes acts as punctuation to emphasize the quilt's complex network of negative and positive patches.

Care: Avoid direct sun to maintain color intensity. To remove fold lines or wrinkles, steam with an iron, or spritz with water and allow to dry flat. Professional cleaning is recommended. In between cleanings, quilts may be vacuumed to remove any surface and dust.
