### Silt Blanket

The Silt Blanket is a graphic, contemporary application of traditional Bojagi patch working techniques. Opaque and transparent cotton fabrics are sewn with closed seams in a distinctive geometric pattern to create this light-sensitive blanket.

Care: Avoid direct sun to maintain color intensity. To remove fold lines or wrinkles, steam with an iron, or spritz with water and allow to dry flat. Professional cleaning is recommended. In between cleanings, quilts may be vacuumed to remove any surface and dust.
