Zig Zag Black Quilt

The Zig Zag Black Quilt is one in a collection of pieces that embraces the temperamental process of hand-dyeing. The zig zags are arranged linearly to accentuate the color variability.

Care: Avoid direct sun to maintain color intensity. To remove fold lines or wrinkles, steam with an iron, or spritz with water and allow to dry flat. Professional cleaning is recommended. In between cleanings, quilts may be vacuumed to remove any surface and dust.
