ALLIED MAKER

ADA Alabaster Sconce

A scaled version of the Aperture Sconce that is under 4" in depth to meet standards of the Americans with Disabilities Act for commercial walkways. The ADA Alabaster Sconce employs an alabaster diffuser to combine translucency and ambient glow for a lovely quality of light. The light source of the ADA Alabaster Sconce sits against the wall and is connected to the diffuser shade via a bent metal rod.

Dimensions: 10"W x 4"D x 11.5"H

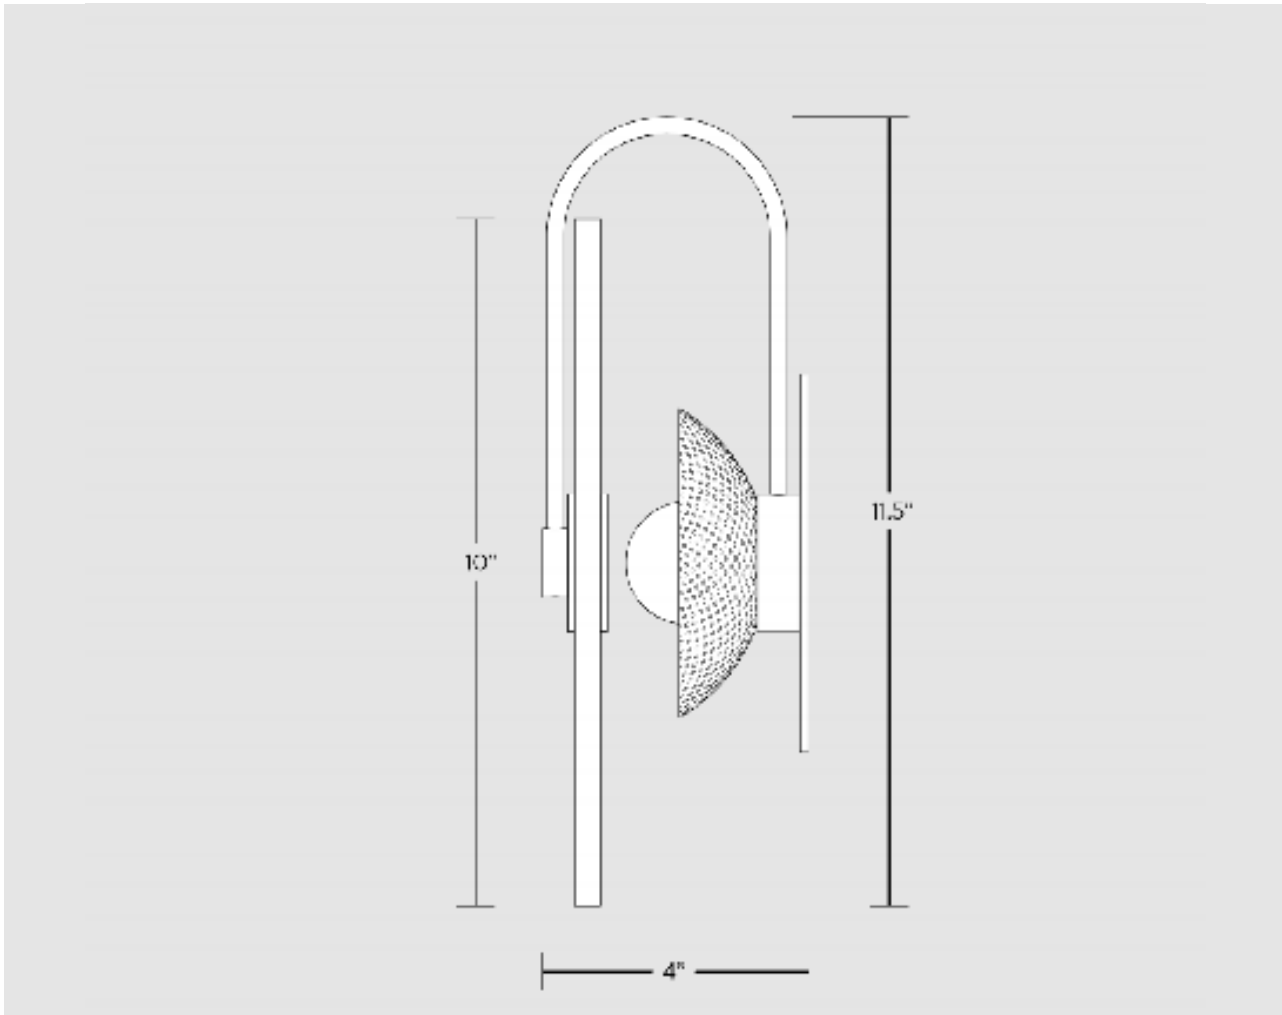

As Shown: Alabaster, Brass

Available in any Allied Maker finish

Certifications: UL and CE Certified

Suitable for damp locations
