

## ALLIED MAKER

### Brass T

The simple perpendicular structure of the Brass T composes a two-globe ceiling fixture with porcelain sockets that is modeled after 19th century gas lanterns. The length and height dimensions can be customized to fit almost any space.

Dimensions: 18"- 58"W x 4"- 48"H

As Shown: Brass

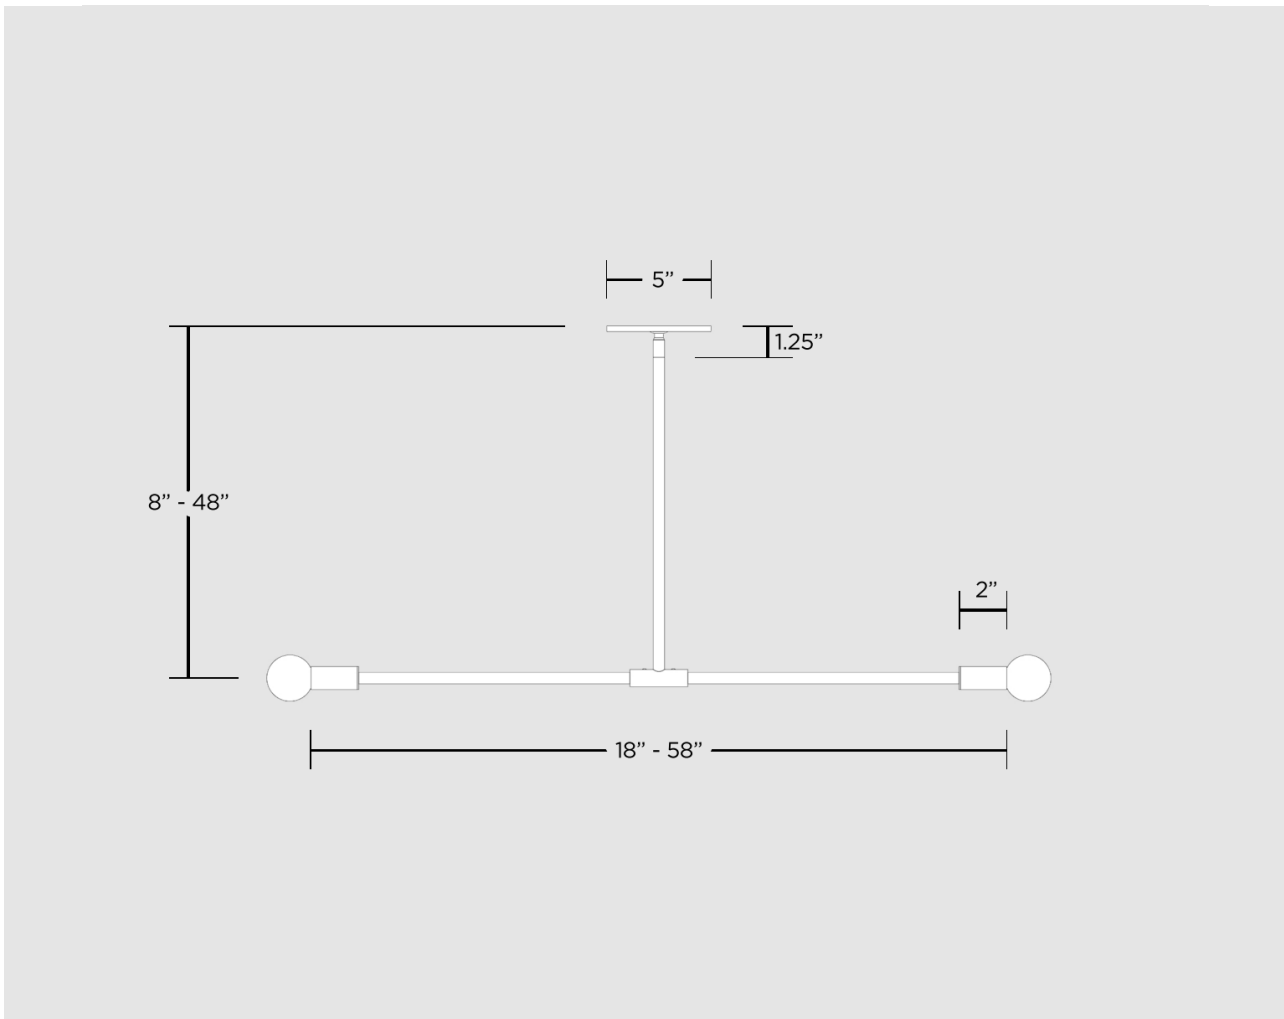

Available in any Allied Maker finish

Certifications: UL and CE Certified

Suitable for damp locations

Lead Time: 3-5 weeks
