Cantilever Armchair

The Cantilever Armchair is a simplified form that blends rationality with functionality. The angular hardwood construction of this chair gives it a slender profile. A great option for the entryway, the shelf below provides a practical means of storage. *Custom materials, dimensions and finishes available.*

Dimensions: 20.5"W x 18.5"D x 35"H

Seat Height: 18"

As Shown: Cherry

Lead Time: 10-12 weeks
