

PHAEDO

Cantilever Bench

The Cantilever Bench is a simplified form that blends rationality with functionality. The angular hardwood construction of this bench gives it a slender profile. A great option for the entryway, the shelf below provides a practical means of storage. *Custom materials, dimensions and finishes available.*

Dimensions: 84"W x 18.5"D x 35"H

Seat Height: 18"

As Shown: Walnut

Lead Time: 10-12 weeks
