

FORT STANDARD

Chainsaw Stool

The sculptural geometric Chainsaw Stools are cut from tree stumps with a chainsaw, creating unique surface textures that tell the story of how they are made. All stools are heat treated before being painted to prevent additional cracks and checking. *Custom materials, dimensions and finishes available.*

Dimensions: 13"W x 13"D x 18"H

As Shown: Assorted hardwood

Lead Time: 10-12 weeks
