

FORT STANDARD

Pillar Dining Table

The elegant hardwood top of the Pillar Dining Table features rounded corners and an underside bevel that are complimentary of details found on the metal pedestal base. All base components are precision machined and finished to your specification. The design allows for the table to be assembled on-site if required. *Custom materials, dimensions and finishes available.*

Dimensions: 96"W x 36"D x 29"H

As Shown: Oxidized hard maple, Dark bronze

Lead Time: 10-12 weeks
