

FORT STANDARD

Pin Shelves

Designed with a focus on traditional joinery, the Pin Shelves are crafted in solid hardwood. Small wooden wedges are used to hold the shelves captive between the vertical sides through sheer tension. The design allows for the unit to be assembled on site if desired. *Custom materials, dimensions and finishes available.*

Dimensions: 62"W x 12"D x 48"H

As Shown: White oak

Lead Time: 10-12 weeks
