

FORT STANDARD

Plane Floor Mirror

The full length Plane Floor Mirror is finished with a thin faceted American Walnut frame. The frame features a 5 degree bevel around the entire perimeter allowing the mirror to sit flush with the floor when leaning against a wall. Two leather tabs at the top can be secured to the wall, providing additional stability. *Custom materials, dimensions and finishes available.*

Dimensions: 24"W x 2"D x 78"H

As Shown: Walnut
