

FORT STANDARD

Stone Planter - Hexagonal

The Stone Planter is made of the highly coveted “Marmoreal”, a special aggregate terrazzo material produced by Dzek and designed by Max Lamb. Available in octagonal and hexagonal shapes; the latter including small brass casters at its base for greater mobility. *Custom materials, dimensions and finishes available.*

Dimensions: 13”W x 15”D x 16”H

As Shown: Marmoreal, Brass

Lead Time: 8 weeks
