

MEG CALLAHAN

Karla Quilt

The Rope Quilt series explores a nuanced quilting technique in which piping is run through sewn channels to create a highly textural, linear pattern. The Karla Quilt focuses on this linear quality with a large bend altering the course of an otherwise continuous design. *Custom dimensions available.*

Dimensions: 70"W x 70"H

As Shown: Linen fabric, Cotton piping, Cotton thread

Lead Time: 16-18 weeks

Care: Avoid direct sun to maintain color intensity. To remove fold lines or wrinkles, steam with an iron, or spritz with water and allow to dry flat. Professional cleaning is recommended. In between cleanings, quilts may be vacuumed to remove any surface dust.
