Relief Stone Cabinet - Single Door

Part of the “Qualities of Material” collection, this single door cabinet is made entirely of Brazilian soapstone and rests on a simple hard maple wood base. Precision cut from one slab of stone, the door, sides and back feature a triangular relief pattern and white marble veining that wraps continuously around the cabinet. The door of the Relief Stone Cabinet features a hidden magnetic closure and opens effortlessly using custom precision machined hardware.

Dimensions: 18”W x 19.5”D x 24”H
