Relief Stone Credenza

Part of the “Qualities of Material” collection, this four door credenza is made entirely of Brazilian soapstone and rests on a simple hard maple wood base. Precision cut from one slab of stone, the doors, sides and back feature a triangular relief pattern and white marble veining that wraps continuously around the credenza. The doors of the Relief Stone Credenza feature a hidden magnetic closure and open effortlessly using custom precision machined hardware.

Dimensions: 72”W x 20”D x 24”H

As Shown: Brazilian soapstone, Hard maple, Brass

Lead Time: 15-16 weeks
