## FORT STANDARD

### Stacked Leather Chair

Part of the “Qualities of Material” collection, this occasional chair is made entirely out of leather that has been stacked and rolled to create the chair’s structural components. The Stacked Leather Chair pairs rounded elements with a focus on materiality resulting in a truly inviting design.

Dimensions: 22.5”W x 24”D x 30”H

As Shown: Vegetable tanned leather

Lead Time: 15-16 weeks
