

FORT STANDARD

Plank

These solid hardwood cutting boards are as beautiful displayed on the wall when not in use as they are when serving cheeses and hor d'oeuvres. The large, donut-like hanging hole allows each Plank to rest on almost any hook or nail, and the long handle makes serving easier. Hardwood available in curly maple or American walnut. Available in circle, diamond and triangle shape.

Dimensions: 16"W x 20"D x 0.75"H

As Shown: Curly Maple
