

# CO/ONY

## KLEIN AGENCY

### Rocker One

Low in its stance, wide in its grip, Rocker One creates the perfect, soft shell for release and rest of your body. Laser cut precision is utilized to create dimpled cross bars, allowing the steel to seamlessly engage with the leather sling. The two materials come together in their utmost purity, without any seams, stitches, bolts or screws. *Custom materials, dimensions and finishes available.*

Dimensions: 28.50"W x 37"D x 26"H

Seat Height: 11"-15"

As Shown: Sandblasted steel, Vegetable tanned leather

Lead Time: 7-8 weeks
