VONNEGUT/KRAFT

Kana Chair

The frame of the Kana Chair slips down and around the seat to create an elegant tension between the mohair upholstery and lacquered wood, while the upholstery slumps to complete the chair back. The tension between the materials is sculptural while still creating a comfortable piece. *Custom materials, dimensions and finishes available.*

Dimensions: 24"W x 19"D x 28"H

As Shown: Black lacquered ash, Mohair upholstery

COM Requirements: 2 yards
