Range Wall Hanging System

Taking inspiration from the traditional french cleat, “Range” is a flexible wall hanging system that allows multiple objects to be fastened in an unlimited number of configurations, using one simple rail. Comprising hooks, shelves and a mirror, the series is versatile enough to be used in a variety of domestic settings, such as the hallway, the bathroom or the bedroom. Shown in ash. *Custom materials, dimensions and finishes available.*

Dimensions: Various sizes available

Standard Materials: Ash

Lead Time: Please inquire
