Workshop/APD

Sofa

A study in connections, the Principals Collection sofa and coordinating lounge chair are similarly defined by gentle curves and material contrasts. The sofa's inviting, sculptural upholstered back – curved as if to embrace the user – is joined to the upholstered seat by a wood key detail that wraps from front to back and set upon a wood base. The Sofa's seat features overscaled channel detailing reminiscent of the dining chair and daybed bolsters. Custom materials, finishes and dimensions available.
