Found Console Table No.1

The limited edition Found collection centers around the power of the medium to dictate the final form these functional works of art take. Each piece of marble was hand-picked with an intention to work around its imperfections. This collection exposes the rough texture of natural stone, celebrating its beauty and reminding of the mountains that the stone came from. Raw edged marble splits the surface of the Found Console Table No.1 into two halves.

Standard Materials: As Shown:
Marble, Steal Marble, Steal

Standard Dimensions: Lead Time: 48" L x 8" W x 40" H 14-16 weeks
