A NOTE ON GLAZE

Every glaze has its own finish quality. Please reference the following legend to indicate the finish quality of each glaze. Finish qualities are innate and cannot be customized.

G = Glossy

S = Satin

M = Matte

Glazes are unique and their finishes vary due to the firing process and handmade quality. Every glaze has a unique profile and range of possible variation as indicated by the following scale.

- (1) Stable and rarely varies beyond its test tile.
- (2) Dimensional and will show tonal variation upon firing.
- (3) Atmospheric and varies significantly upon firing.
