BEC BRITTAIN Aries IV.I

Aries was inspired by the artist Olafur Eliasson's concept and set design for the ballet Tree of Codes, in which dancers wore all-black suits, highlighted with LEDs. Aries creates a piece where the points of light are the focus, and the structure itself is as minimal as possible while flexible enough to create constellation-like forms that recall the night sky, with its bright and sparkling lights refracted through the glass prisms.

Standard Materials: Finished Aluminum Clear Glass Prism

Standard Dimensions: 24.5" Dia x 11" H

Metal Finsihes Brushed Brass, Oil Rubbed Bronze, Satin Nickel, Nickel Brass Contrast Shown As: Brushed Brass

Special Order Finishes:

Polished Brass
