

BEC BRITTAIN

Aries Sconce III.I

Aries was inspired by the artist Olafur Eliasson's concept and set design for the ballet *Tree of Codes*, in which dancers wore all-black suits, highlighted with LEDs. Aries creates a piece where the points of light are the focus, and the structure itself is as minimal as possible while flexible enough to create constellation-like forms that recall the night sky, with its bright and sparkling lights refracted through the glass prisms.

Standard Materials:

Finished Aluminum Clear
Glass Prism

Standard Dimensions:

15" W x 11" L x 11" H

Metal Finishes

Brushed Brass, Oil Rubbed
Bronze, Satin Nickel, Nickel
Brass Contrast

Shown As:

Brushed Brass

Special Order Finishes:

Polished Brass
Medium Antique Brass
Polished Nickel
Dark Pewter
Polished Black Nickel
