

BEC BRITTAIN

Zelda - Links Orbits  
Large

Zelda juxtaposes the emphatic materiality of brass-encased LED tubing with gracefully suspended planar forms. This light comes in multiple shapes, sizes and configurations, and seamlessly adapts to a vast array of spaces and sensibilities. Zelda's flexible form can be fashioned as a simple single diamond, arranged concentrically in geometric orbits, or joined together like the links of a chain.

Standard Materials:  
Finished Brass

Shown As:  
Oil Rubbed Bronze

Standard Dimensions:
