

MTM STUDIO

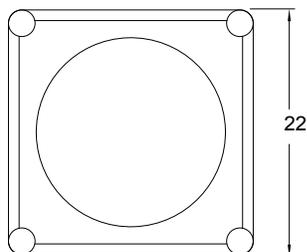

Clear Gradual
Boundary Mirror

The Clear Gradual Boundary Mirror is an expression of a single material: aluminum. The contrast between roughly sandcast and highly polished aluminum give the CGB Mirror both function and form while revealing evidence of the system that created it.

Standard Materials:
Aluminum

As Shown:
Polished aluminum

Standard Dimensions:
22" W x 1.75" D x 22" H

Lead Time:
10 -12 Weeks
