NP Stool -Counter /
Bar Stool

The NP Counter Stool features two distinct upholstered elements: a plush interior seat with the perfect pitch for comfort and a tailored back panel—offered in leather or fabric for contrast and texture. An unlacquered brass bar spans the top of the backrest, making it easy to pull the stool in and out. Over time, the brass will develop a natural patina that reflects its use and environment. The brass footrail, also unlacquered, invites a similar transformation.
