

M.PEI STUDIO

The Portico - Console Table

Part column, part arc, The Portico's form holds the quiet gravity of ancient structures while remaining open and gestural. Like the architectural space it nods to, it exists between worlds: inside and out, public and private, grounded and suspended.

Standard Materials:
Metal, Lacquer

Shown As:
Brushed Steel, Embellished
W/ Black Metal Beads

Standard Dimensions:
50" L x 12 1/2" D x 20" H
