

THOMAS YANG STUDIO

Fika Table

The table is a garden, a place of beauty cultivated for its enjoyment. Sterling silver nails, hand-carved and cast with flower-shaped heads, abandon their function. Instead, they adorn the timber leg perched on a river stone, the table's reminder that utility does not have to preclude beauty.

Standard Materials:
Wood, River Stone, Sterling
Silver Flower Nails

Standard Dimensions:
29.5" Diameter x 30" H

Shown As:
Cherry, River Stone, Sterling
