

OTZI

Cinch Barstool

A taller iteration of the Cinch series, the bar stool is built for comfort and durability, wood frame with slender, tapered legs and pinned tenon joints for strength and stability. The seat is handwoven with oak bark tanned bridle leather, each strap meticulously bevelled, and burnished. The elevated proportions are carefully balanced to offer proper posture and support as counter or bar height, while the lean silhouette keeps a light visual footprint.

Standard Materials:
Leather, Wood

As Shown:
London Tan, Charcoal
Black

Standard Dimensions:
18.5"L x 16.2"W x 40.2"H
