CIRRUS Chandelier

Four clear lucite rings, equally-spaced around a brushed-brass light source, varied in length, with one looping under the next to create a spiraling illuminated choreography. The Cirrus Chandelier is suspended by an elegant vertical rod and uses a warm dimmable LED bulb by Tala.

As Shown:
Brushed Brass

Standard Materials:
Metal

Standard Dimensions:
36 7/8" H x 18 7/8" W (rod
