CIRRUS Sconce

The Cirrus Sconce's two lucite rings are placed perpendicularly around a crown-like light source, each at varied lengths with one looping under the other to create a composed, jewel-like fixture. The transparent lucite rings carry light so that they appear to softly glow.

As Shown:
Blackened Brass

Standard Materials:
Metal

Bulb Included:
Tala Sphere 1, E12 2000-
2800 Dim to Warm dimmable,
included 220 lumens

Standard Dimensions:
6 1/4" L x 6 1/4" W x 20" H
