

Sarah Sherman Samuel
Fort Cabinet Tall

The fort tall cabinet draws from childhood memories of building shelters in the michigan woods, stacking fallen logs and branches to create simple structures. That memory is abstracted through a rhythmic façade of alternating wood slats, giving the cabinet a strong, monolithic presence while revealing the natural variation of the grain. Elevated on block-like feet, fort balances a sense of permanence and protection with finely considered craftsmanship.

Standard Materials:
Wood

Shown in:
Oak

Standard Dimensions:
40.5"W x 21.5"D x 67"H

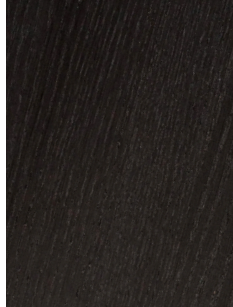

Lead Time:
12-14 Weeks
