Allied Maker

Ewing Sconce

The newest addition to the Ewing Collection draws inspiration from a family road trip to Williamsburg, Virginia, where principals Ryden and Lanette were captivated by traditional Americana lighting and the craftsmanship of the 1800s. Blending these historic influences with Allied Maker's signature aesthetic, the design offers a fresh interpretation of classic American craftsmanship.

As Shown:
Brass, Glass

Standard Materials:
Metal, Glass

Bulb Included:
(120V USA) Emery Allen 4.5W G8 Bulb
(240V EU) Emery Allen 4.5W G8 Bulb
